

### **REMARKS**

The only issues outstanding in the Office Action mailed September 26, 2005, are the rejections under 35 U.S.C §§112 and 103. The Examiner is sincerely thanked for indicating withdrawal of the requirement for restriction. Moreover, the Examiner is thanked for her helpful comments in the Office Action concerning the specific issues necessary to put this application in condition for allowance. It is respectfully submitted that, in view of the foregoing minor amendments, all claims in the application are now in condition for allowance.

#### **Rejections Under 35 U.S.C §112**

Claim 1 has been amended in order to insert the word "is" as noted by the Examiner. With respect to claim 17, it is submitted that the word "being" *is* present in the claim in which recites the total of (C), (D) and (M) "being not more than 20%." Applicants have reviewed the claims and do not see the verb missing from any other claims but if a claim has been overlooked, Applicants would be most happy to make the appropriate correction, for example, by way of Examiner's Amendment.

Finally, the dependency of claim 56 has been corrected.

Accordingly, it is submitted that all the rejections under 35 U.S.C §112 should be withdrawn.

#### **Rejection Under 35 U.S.C §103**

Claim 72 has been rejected under 35 U.S.C §103 as it is argued, at the top of page 3 of the Office Action, that claim 72 does not require the presence of either component (C) or (D). While Applicants believe that the language of the claim, in fact, does require compatabilizer (D), the claim has been clarified in the same manner as previously done in claim 1, in order to specify that (D) is present. Withdrawal of this rejection is therefore respectfully requested.

Again, should the Examiner have any questions or comments, she is cordially invited to telephone the undersigned at the number below.

The Commissioner is hereby authorized to charge any fees associated with this response or credit any overpayment to Deposit Account No. 13-3402.

Respectfully submitted,

---
